QUALITY POLICY

CONTRATOS Y DISEÑOS INDUSTRIALES, S.A., a company specialized in the development of industrial projects in the mechanical and boiler sector, declares that the quality is a permanent objective in all the activities that are carried out in the organization.

The Direction undertakes to establish and maintain an up-to-date quality policy through a quality management system in accordance with the Une-EN-ISO 9001:2015 as a tool to achieve:

1. The maximum satisfaction of the interested parties, having the necessary means to guarantee the fulfillment of their requirements and expectations both in relation to the material execution of the projects or works contracted as in their period of execution and in qualified technical assistance. All this within a competitive framework both at national and international level.
2. Maintain a system of continuous training of the personnel that serves to improve the development of their work, as well as their realization in safe conditions.
3. To comply with the requirements of the interested parties, as well as the legal, regulatory and normative that are applicable. For equipment intended for the European Union, it shall comply with the requirements of the Directive on pressure Equipment 2014/68/UE.
4. To promote an understanding and diffusion of our quality policy within the organization through training and continuous communication with our workers.
5. To carry out our work within a management environment that guarantees a continuous improvement in our processes, in our methods of action and in our relations with the stakeholders, through the establishment and periodic review of our quality objectives and our quality policy.

The Direction of CONTRATOS Y DISEÑOS INDUSTRIALES, S.A. will provide the organization with the technical, economic and human resources necessary for the achievement of its policy, checking periodically to verify if it is appropriate for the fulfillment of the objectives marked and for the context and purpose of the organization.
